Please look over the cast list VERY carefully and check out 'Sheet 2'- listed by number. Everyone has jobs in BOTH casts! We need everyone to help fill all these roles to make the show work! I think it is going to be FABULOUS and a true 'ensemble' piece! Be sure to come to the all-cast rehearsals on Monday & Tuesday from 2:15-5:00. You will get a complete rehearsal schedule then.

Please note: I worked very hard to make sure that no one had roles that overlapped on stage. If you find a mistake, please let me know ASAP! It is possible!
