FOR IMMEDIATE RELEASE

Announcing Scott Meadows' New Role at TKA in 2023-24 School Year

SUNNYVALE, CA, May 3, 2023

I am pleased to announce that **Scott Meadows, our current Head of School, will transition to a new role as Director of Advancement and Construction** at TKA starting July 1, 2023. This transition follows his decision to step down from his current position at the end of this school term, as previously announced in a February email introducing our new Head of School.

The TKA School Board thanks Scott for his exceptional leadership during his eight-year tenure as Head of School. His commitment to TKA's mission and vision is evident in his tireless efforts to manage the school's finances, resulting in a strong financial position and the ability to improve our facilities, offer more AP classes, and keep the school open during the pandemic. We are grateful for Scott's unwavering dedication to the well-being of our students and his vision, problem-solving skills, and leadership that enabled TKA to flourish these past eight years.

As Director of Advancement and Construction, Scott will continue to contribute his unique skills to TKA development efforts and build on his successful work with the TKA donor community. Additionally, he will lead the transformation of the newly acquired V Building into a cutting-edge STEM education facility. Given his talent and experience in these areas, I am excited to witness how God will use him to transform TKA's Strategic Plan into a reality.

Scott will report directly to Jeff Freeman, our new Head of School, while Josephine Loy will continue to report directly to Scott in her role as Director of Annual Fund & Alumni Relations. Scott will have an office on campus as he oversees construction on the V building, but he will often be off-campus meeting with donors.

Please join me in congratulating Scott on his new role! We are grateful for his contributions as Head of School and look forward to seeing the continued impact he will make in his new capacity.

Blessings,

Scott Bartell, Board President

The King's Academy, an independent college preparatory school for 950 students in grades 6-12, is a Christ-centered school that inspires academic excellence, servant leadership, and enduring relationships. The King's Academy is accredited by the Association of Christian Schools International (ACSI) and The Western Association of Schools and Colleges (WASC). **TKA is currently accepting applications for the 2023-2024 school year.** For more information about TKA, please visit www.tka.org.
