To the rocking' rhythm of its Oscar and Tony-nominated top 40 score (the soundtrack album reached number one on the Billboard charts and has sold over 15 million copies!) and augmented with dynamic new songs for the stage musical, *Footloose* celebrates the wisdom of listening to young people, guiding them with a warm heart and an open mind. Note: *Footloose* dialogue and songs have been edited to be appropriate for all ages.

*“In this story, every character, no matter their age or their season in life, is striving to be heard. They want to be understood, they want to be listened to, and they all go to various measures to meet this goal. It’s a story of the disappointments that come when we choose to follow our own path, rather than look up and seek the will of God. It’s a story about how we struggle on our journey of faith when tragedy hits, and it tells the story of how we push forward to hear God’s voice in the midst of all the sorrow and all the noise. It’s a story of the importance of relationship and the need for a united community. But most of all, Footloose tells the story of how our God will forever be faithful to us, how He will never desert us, and how He will so beautifully bless us...once we stop looking elsewhere for identity.” - Melissa Podczaszy, Director*
