FOR IMMEDIATE RELEASE

The King's Academy Honors 16 Students Recognized by the National Merit Scholarship Program

SUNNYVALE, CA, May 18, 2017

National Merit Finalist from the Class of 2017

National Merit Semifinalists represent less than 1 percent of U.S. high school seniors and include the highest-scoring entrants in each state who took the 2015 PSAT. To qualify as a Finalist, a student must have an outstanding academic record throughout high school, be recommended by the high school principal, and earn SAT scores that confirm the student's earlier performance on the PSAT in the fall of the junior year. Students scoring in the top 1% are also evaluated on a detailed application, essay, and information about their participation and leadership in school and community activities. Congratulations to:
