

THE KING'S ACADEMY

PSAT RESULTS NIGHT

College Admission Testing Insights for the Classes of 2018, 2019, & 2020

We are pleased to offer a special event for our 9th, 10th and 11th Grade Families on **January 18, 2018** from 7 p.m. to 8:15 p.m.

Join us for an enlightening and pragmatic discussion of college admission tests and the **PSAT**. In this session, Compass Education Group co-founder and executive director Bruce Reed will be sharing up-to-date insights on the following and more:

- Colleges' use of test scores and the competitive landscape
- Details of the PSAT & SAT
- ACT's rising popularity and how students may benefit
- The importance of Subject Test choices and timing
- Implications of the College Board's "Score Choice" policy
- Trends in testing timelines, repeat testing, and test preparation
- Sensible and successful approaches to college admission testing

All attendees receive a complimentary copy of the indispensable ***College Admission Testing Guide 2017-18*** from Compass education Group.

More About Bruce Reed

Bruce Reed is recognized as one of the nation's leading experts on standardized testing research and higher education trends, and is a frequently requested guest speaker on the topic of college admission testing. Bruce gives insightful presentations at dozens of Bay Area schools each year and for the college admission professional community at regional and national college counseling conferences. In 2004, after several years running Ivy West Educational Services, Bruce co-founded Compass Education Group, a company that provides one-on-one test preparation for students from the most educationally demanding schools in California, including many of our students over the years. Since then, Bruce and his team have remained an invaluable resource for timely and thoughtful testing-related information and guidance for families and counselors.
