What if I can't come on the scheduled day?

Come on another day. Service works best when the TKA staff can assist all students of the same grade on the same day, however, we will serve your student(s) on a day your family can make it.

I do not need any adjustments to my schedule. I am just here to pick up textbooks. Where should I go?

Please proceed directly to the **library** with a printout of your schedule. If you are sick or out of town on the scheduled pickup day, then a parent (*NOT a sibling or friend*) may pick up their textbooks.

What if I need a printout of my 6th grade student's schedule?

For a printout of a 6th grade student's schedule or to receive textbooks, please proceed directly to the library. Sixth graders are given priority for textbook pickup on Thursday, August 9.

What if I need a printout of my 7th – 12th grade student's schedule?

For a printout of a 7th – 12th grade student's schedule, please stop by the **Schedules & Information** table in front of the K Building facing the parking lot.

What is a legitimate schedule adjustment?

Legitimate schedule adjustments include adding missing courses that are required or changing mis-assigned core classes. This is not the time to change your original elective choices or to choose your favorite teacher.

What is the process to request a schedule adjustment?

Bring in your schedule and proceed to the appropriate **Schedule Adjustment** sign-in table. The junior high table is located just outside the SAO. The high school table is located in the Quad outside the College and Academic Counseling Center (P-2). Our academic counselors and registrars will meet with you in sign-in order. Arriving early does not give you any preferential adjustments. It is highly likely that you will experience less wait time in the afternoon since mornings are generally busy. Please be prepared to wait for your turn (maybe you can catch up on the summer reading that you didn't get completed!) Schedule changes during the

Textbook Distribution Week will not include requests for moving into an AP or Honors course unless there was a scheduling error for a previously approved Honors or AP course. Those changes for students wishing to move out of an Honors or AP course can be accommodated.

What if I have to leave before I can meet with someone to adjust my classes?

You may come back on the next day to meet with a counselor or registrar for course schedule adjustment requests.

May I pick up textbooks for classes that I am not going to adjust?

Because of the complicated nature of schedule adjustment requests, students should meet with a counselor or registrar to request schedule adjustments prior to receiving any of their textbooks. Remember to cover your textbooks.
