

## The Academic Support Department

Welcome to the Academic Support Department at The King's Academy. The department offers a wide range of support services for students who have been diagnosed with learning differences, a medical illness, and/or emotional concerns. The resources provided empower students to achieve academic success.

The department is staffed with three employees: a full-time Director, an Academic Support Coordinator, and a full-time Proctor.

The Academic Support Department offers the following resources:

- Create Individual Student Support Plans tailored to the student's specific learning, emotional, physical needs
- Recommend classroom accommodations
- Meet with student's Educational Testing Evaluator
- Monitor student's progress
- Make adjustments to student schedule, when necessary
- Coordinate conferences between students/parents/teachers
- Offer private tutoring references
- Offer a specialized organization program
- Provide PSAT/SAT/ACT testing on-site certified proctor; application for extended time
- Provide admissions exam accommodations
