

THE KING'S ACADEMY

TKA Homework Club Junior High Academic Tutoring 2022-2023

Homework Assistance and Study Skills:

- We provide a quiet, structured environment for your child to do his/her homework.
- A 5:1 student/tutor ratio goal allows students' individual learning needs to be met.
- Regular Homework Club attendance instills good work habits, organizational skills, and a sense of accomplishment.
- Students will learn to do the more difficult assignments first.
- Students will have 1 1/2 hours to get all their homework finished before dinner.
- If students finish early, they will study for future tests, practice test prep, read, or work on challenging activities.
- All students must be able to work quietly in small groups; otherwise private tutoring will be suggested.
- Snacks are provided.
