

Dinuba, California Service Trip: April 2 - 6, 2023

Mission

We will partner with Gleanings for the Hungry, a ministry of Youth With a Mission (YWAM). In Dinuba, students will be blending and packaging rice, lentils, pasta, and other dry ingredients to produce a healthy, nutritious soup mix to make a difference in the lives of hungry people all over the world. Students will also participate in construction, maintenance, and renovation of the facilities.

Goals

YWAM is a missionary organization whose goal is to know God and to make him known. The vision of Gleanings for the Hungry is to feed the hungry of the world, both physically and spiritually. Millions of lives are touched by this ministry every year as the product goes out to sustain lives and spread the Gospel of Jesus Christ. This is an opportunity for students to grow in their love for Christ, in their love for each other, and in their love for hungry people all over the world.
