

Sunnyvale Service Trip: April 3 - 6, 2023 + 8 additional hours of service

Mission

Our team will partner with Feed My Starving Children (FMSC), a Christian nonprofit organization with the mission of feeding God's starving children hungry in both body and spirit. FMSC exists to eradicate hunger and provide hope in Jesus' name. Our students will learn that they can make a difference in the lives of children around the world by packing simple meals.

Goals

Monday - Wednesday, students will be packing nutritionally complete dehydrated meals specifically formulated by food scientists for malnourished children. By doing so, students will be challenged to grow in love and compassion for children all over the world who are malnourished and starving. On Thursday, students will participate in a TBD Service Project on the TKA campus, most likely related to children in our local area. Students will also be required to complete 8 additional hours of service that meets the requirements posted on the TKA website. These additional hours must be completed by April 7, 2023.
