

## Seattle, WA Service Trip: April 1 - 7, 2023

### **Mission**

We will partner with Praying Pelican Missions to travel to Seattle, WA in the Pacific Northwest. Known for its beautiful coastlines and stunning mountains, the PNW is home to just over 13 million people yet has one of the lowest rates of church attendance in the United States and is largely considered a secular region. We will partner with the local church to bring the Good News to inner-city residents of Seattle.

### **Goals**

Students will engage in a variety of ministry opportunities in support of local churches, primarily serving the homeless population. This is an opportunity for students to grow in love and compassion for inner-city residents, in their love for Christ, and in their love for each other.

April 2 - 6        Serve 8:00 a.m. - 3 p.m.; dinner and evening programs/activities
