“You have been a dream come true. Whenever it rained, we could not sleep, because everything was getting wet. You have fulfilled a dream in our lives” - Tecate Family

“We appreciate very much all that you have done for us. We were waiting for this house. We are so thankful and will always remember you.”
-Tecate Family

"I got to work on the chop saw (really scary thing that cuts wood) which was a great experience. The family we were building for was very sweet. Jorge, the father, shared his story with my friend and I from which I gained much insight into his life." - Sam, Grade 10

“Even small children helped to paint! We built deeper relationships with the families; students and adults talked to the families and learned more about their lives and faith.” - Mingyuan, Grade 11
